Tour '72

Michael D'Antonio

Tour '72 Michael D'Antonio

The year 1972 was an incredible one for golf. The game's traditional stateliness gave way to a fiercer and more exciting dynamic as Trevino, Palmer, Nicklaus, and Player dominated the course. Their intense competitiveness and unbelievable prowess paved the way for the likes of Tiger and Sergio, and shaped the game we know today. Armed with a reporter's perspective and a passionate golfer's love of the game, Pulitzer Prize-winning journalist Michael D'Antonio offers a behind-the-scenes portrait of this extraordinary time. He details the most exciting British Open ever played; the best single shot ever made at the PGA Championship; and the division between the older champions and new prodigies. He reveals Lee Trevino's near nervous breakdown and explores Jack Nicklaus's evolution from arrogant youth to best golfer of his generation. At no other time would so many great players compete together at the height of their powers. Michael D'Antonio captures this pivotal year in all its glory in a book every golf fan will treasure.

From reader reviews:

Lillie Moreland:

In this 21st century, people become competitive in every single way. By being competitive currently, people have to do something to make themselves survive, being in the middle of the actual crowded place and notice through surrounding. One thing that occasionally many people have underestimated that for a while is reading. Yes, by reading a guide your ability to survive increases then having a chance to stand up than others is high. To suit your needs who want to start reading some sort of book, we give you this particular Tour '72 book as a starter and daily reading guide. Why, because this book is greater than just a book.

Sally Norman:

Nowadays reading books become more and more than want or need but also get a life style. This reading routine gives you a lot of advantages. Advantages you get of course the knowledge the rest of the information inside the book which improves your knowledge and information. The info you get based on what kind of guide you read, if you want to attract knowledge just go with education books but if you want to truly feel happy read one with a theme for entertaining including comic or novel. The actual Tour '72 is a kind of publication which is giving the reader an unstable experience.

Ricky Dotson:

This Tour '72 is a great e-book for you because the content that is certainly full of information for you who all always deal with the world and have to make a decision every minute. This particular book reveals its info accurately using great coordinate words or we can say no rambling sentences inside. So if you read it hurriedly you can have the whole info in it. Doesn't mean it only will give you straight forward sentences but tricky core information with wonderful delivering sentences. Having Tour '72 in your hand like getting the world in your arm, details in it is not ridiculous. We can say that no guide that offers you the world within ten or fifteen tiny right but this e-book already does that. So, this really is a good reading book. Hi Mr. and Mrs. hectic do you still doubt this?

Gene Conley:

E-book is one of the sources of know-how. We can add our knowledge from it. Not only for students but also native or citizen require books to know the change in information of year in order to year. As we know those ebooks have many advantages. Besides all of us add our knowledge, also can bring us to around the world. By book Tour '72 we can acquire more advantage. Don't you want to be a creative person? For being a creative person must like to read a book. Just choose the best book that suited with your aim. Don't always be doubtful to change your life by this book Tour '72. You can be more attractive than now.
