## **Craddock on the Craft of Preaching** Dr. Fred Craddock

No one has had more impact and influence on the craft of preaching in the last several decades than Fred Craddock. After his retirement from a distinguished teaching career, he became free to share his wisdom with a wider audience without the burdens of academic responsibilities. The lectures and workshops show an ever-expanding scholarship beyond that of his published books. This book has gathered the "best of the best" of these lectures/workshops and offers them to preachers and students of preaching for critical reflection and increased effectiveness.
