## Deron Goes to Nursery School (First Experiences)

First Experiences is an exciting series portraying young children's very first experience of nursery school, time with grandparents and other events. The first time for anything can be daunting, and these books set out to familiarise children, through simple read-aloud words and beautiful photos, with what seems at first unfamiliar but will eventually become a routine part of everyday life. Deron and his mum get ready for his first day at a Ghanaian nursery school. When they arrive, he meets his teacher and the other children, does a bit of writing, sings and dances, has lunch and a little rest - and when he gets home, he can't wait to go back again and play with his new friends.
