He's a hard-drinking, philandering American engineer. She's a prim and proper African professor. Their improbable romance begins with a chance encounter on the streets of Nairobi, and soon develops into passionate ardor. Unaware of the consequences that their love affair will bring in the future, they soon find themselves caught up in the tumult of Kenyan politics, trapped in the center of a government scandal, and an incredible odyssey through the wilderness of the northern frontier is their only way out. More than a love story, Journey Towards a Falling Sun tells of a heroic struggle against all odds and a search for cultural identity in a rapidly changing Africa.
