Pattern Recognition Of Cerebral Haemorrhage (CH)From CT Images: The use of Remote Sensing methode in Medical Physics HAFIZI SHAFIIN

A Cerebral Haemorrhage (CH) refers to bleeding in the brain tissues. It caused immediate severe headache thus remain unconscious. At this point, if the patients were not referred immediately to the hospital, death may become the final result. The diagnosis of CH patterns so far in Malaysia, have been performed by visual interpretation of Computed Tomography (CT) images, based on radiologist's medical experiences. As the CH stages be divided into Hyperdense, Isodense and Hypodense area, they could detect the Hyperdense region only, as it appears in brighter tone within the CT images. The main objective of this study is to characterize the CH spectral patterns in the digital image analysis domain, i.e. Mean and Standard Deviation by mapping the CH stages from various CT sets. The technique that have been implemented in this study was the Supervised Classification with the help of medical input to determine the area of those three CH stages. Results of this study indicates that, using the procedure of hypothesis testing of those three CH region, only the Mean of Hyperdense area could be accepted with 95% significance level

From reader reviews:

Joyce Morgan:

Book is to be different for each grade. Book for children right up until adult are different content. We all know that that book is very important for us. The book Pattern Recognition Of Cerebral Haemorrhage (CH)From CT Images: The use of Remote Sensing methode in Medical Physics was making you to know about other expertise and of course you can take more information. It is extremely advantages for you. The publication Pattern Recognition Of Cerebral Haemorrhage (CH)From CT Images: The use of Remote Sensing methode in Medical Physics is not only giving you much more new information but also to become your friend when you really feel bored. You can spend your own personal spend time to read your reserve. Try to make relationship with the book Pattern Recognition Of Cerebral Haemorrhage (CH)From CT Images: The use of Remote Sensing methode in Medical Physics. You never truly feel lose out for everything in case you read some books.

Robert Auclair:

Are you kind of active person, only have 10 as well as 15 minute in your day time to upgrading your mind expertise or thinking skill even analytical thinking? Then you have problem with the book than can satisfy your short period of time to read it because this all time you only find e-book that need more time to be go through. Pattern Recognition Of Cerebral Haemorrhage (CH)From CT Images: The use of Remote Sensing methode in Medical Physics can be your answer mainly because it can be read by you actually who have those short spare time problems.

Jerry Rivera:

As we know that book is important thing to add our understanding for everything. By a book we can know everything you want. A book is a pair of written, printed, illustrated or even blank sheet. Every year ended up being exactly added. This guide Pattern Recognition Of Cerebral Haemorrhage (CH)From CT Images: The use of Remote Sensing methode in Medical Physics was filled with regards to science. Spend your extra time to add your knowledge about your scientific research competence. Some people has several feel when they reading the book. If you know how big selling point of a book, you can truly feel enjoy to read a reserve. In the modern era like today, many ways to get book that you wanted.

Tony Sanford:

Publication is one of source of information. We can add our expertise from it. Not only for students but in addition native or citizen need book to know the revise information of year to help year. As we know those guides have many advantages. Beside many of us add our knowledge, can also bring us to around the world. Through the book Pattern Recognition Of Cerebral Haemorrhage (CH)From CT Images: The use of Remote Sensing methode in Medical Physics we can get more advantage. Don't that you be creative people? For being creative person must want to read a book. Simply choose the best book that suitable with your aim.

Don't always be doubt to change your life at this book Pattern Recognition Of Cerebral Haemorrhage (CH)From CT Images: The use of Remote Sensing methode in Medical Physics. You can more desirable than now.
