Saloni Kaul

Saloni Kaul's Book of Children's Poetry Saloni Kaul

A sensational discovery on the children's book scene, with its metrical sheen and thought-packed content, Saloni Kaul's Book of Children's Poetry addresses the child as well as the child in each of us directly in a manner all the poet's own. The world of the child is elaborated in charming vignettes, fervent outpourings of lyric, theatrical and mock-theatrical dramatic monologues and soliloquies. Commonsensical down-to-earth pronouncements intertwine with irreverent in tone comments almost off the cuff, entertaining riddles and teasers with well-crafted poesy.
