Plutarch

Essay On the Life and Poetry Of Homer (American Philological Association American Classical Studies) Plutarch

This bilingual edition, with introduction and brief commentary, makes accessible for the first time in English a text of great importance for the history and interpretation of Homer. Although attributed to Plutarch, the *Essay* is probably the work of a *grammaticus* of the second and third century and is the single most valuable source of evidence for the nature of the teaching of Homer in the schools of the Roman Empire. Well represented in the manuscript tradition, the *Essay* was used as prefatory material by Renaissance editors of Homer, beginning with the *editio princeps* (1488), and so exercised a powerful influence on Renaissance and early-modern readers, who often refer to "Plutarch" as an authority on Homer. The newly edited Greek text is presented with facing translation.
