Ghost Stories from the Ghosts' Point of View: Trilogy (Volume 1) Tina Erwin

Now in its second edition, this ground-breaking book shares with you stories of life after death from the ghosts' own point of view. Some stories are tragic, some comical, some stunning and all of them fascinating. Meet Annabelle, a seven-year-old ghost in pink pajamas who was desperately looking for her family, or Lydia, a ghost who was being haunted by the living. There are more unforgettable stories in this poignant, unnerving and hopeful view of life after death. Author and intuitive, Tina Erwin is not your ordinary psychic. She is a retired US Navy Commander AND a ghost helper, NOT a ghost hunter. She not only talks to the dead, she assists them in crossing over to the Heaven World. Listen as each ghost tells you: What it's like to be dead. What it's like to be driving down the road one minute and the next have no idea where you are. A soul's frustration as he talks to someone who cannot seem to hear him no matter what he does. Or how much some ghosts enjoy controlling the living from the grave. Ghost Stories from the Ghosts' Point of View is a haunting look at not only what it's like to be a ghost, but also what it's like to find yourself dead and have no idea what to do, where to go or how to change your surroundings. This ground-breaking book invites you to finally hear their stories, to understand the ghosts' point of view and learn what it feels like for them when they are embraced by the light of the Heaven World. Listen as each ghost tells you: What it's like to be dead. What it's like to be driving down the road one minute and then the next have no idea where you are. What it's like to be talking to someone who cannot seem to hear you no matter what you do. What it's like to still control the living from the grave. What it's like to be haunted in death by the living.
