How to Make \$3,300 Per Month Writing E-books T.B. McHatchins

T.B. McHatchin is back at it teaching you the author how to make \$3,300 per month writing E-books from your home. He will take you through everything from selecting a niche subject to write about all the way to marketing and distributing your E-book. This is a very detailed book about how to get rich fast writing E-books at home. You will learn all of the tools necessary to earn \$3,300 per month. T.B. helps you pick a niche subject in the beginning. Then he gives you useful advice for selecting a catchy title that the reader will definitely want to click on to learn more about your book. He then goes into detail about selecting the perfect book cover for your book or creating a brand new one. The important thing is that the cover needs to tell a part of your story to hook the reader so they read the backmatter description of your book. After you have created the book cover you then need to create awesome professional content that the reader will read when reading your book. You should always be writing about a subject you are passionate about. Next T.B. takes us through creating the backmatter and description for your book that will be used to market your new manuscript. It is very important to create a nice short description that is 400 characters or less but as close to 400 as you can get without going over. Then in the long description you have 4,000 characters to really tell the reader what your book is about. T.B. concludes this book by talking about how and where to publish your E-books to get the most exposure and have the most success from selling your E-book. This is a book that could change your life just like using these techniques changed T.B.'s life. You will learn how to create an award winning E-book that sell thousands or millions of copies all around the world so that you can begin to earn a passive income all by working from home in your pajamas. Get your copy today and get started earning \$3,300 per month.
