Little Children's Prayer Book Mother Mary Loyola

This is a newly typeset and illustrated edition of the classic 1911 title by Mother Mary Loyola. This little 4" x 6" pocket gem contains more than just daily prayers: Two different sets of meditations for the Mass and Mother Loyola's uniquely appropriate examination of conscience for children make this book a must for the Catholic child. Gorgeous full-color illustrations throughout. This is the softcover edition; we also offer a hardcover edition at the St. Augustine Academy Press website.

(Please note: this book was written in 1911 and we have not updated it in any way, except to add illustrations. *This was before the changes of Vatican II took place.* The parts of this book which deal with the Mass will refer most strongly to the **Latin Mass**. However, there are many parts of the Mass that have not changed, such as the *Kyrie*, the *Gloria* and Creed, and the general structure of the Mass itself. Therefore what she has written is not at all inappropriate for those who attend the Ordinary form; only the illustrations, which show the priest facing *ad orientem* will differ significantly.)
