A.S. Byatt

Ragnarok A.S. Byatt

“Brilliantly effective. . . . Surely among the most beautiful and incisive [pages] Byatt has ever written.”—Paul Binding, *The Independent* (UK)

“A brilliant, highly intelligent, fiercely personal rendition of the Scandinavian mythology. . . . A gorgeous enrichment and interpretation.”—Ursula K. Le Guin, *Literary Review* (UK)

The gods meet their cataclysmic end in this acclaimed work of fiction from the inimitable author of *Possession* and *The Children’s Book*, now in paperback.

As the bombs of the Blitz rain down on Britain, one young girl is evacuated to the countryside. She is struggling to make sense of her new life, whose dark, war-ravaged days feel very removed from the peace and love being preached in church and at school. Then she is given a copy of *Asgard and the Gods*—a book of ancient Norse myths—and her inner and outer worlds are transformed. She feels an instant kinship with these vivid, beautiful, terrifying tales of the end of the gods: they seem far more real, far more familiar during these precarious days.

How could this child know that fifty years on, many of the birds and flowers she took for granted on her walks to school would become extinct? War, natural disaster, reckless gods, and the recognition of the world’s impermanence are just some of the threads that Byatt weaves into this most timely of books. Linguistically stunning and imaginatively abundant, *Ragnarok* is a landmark piece of storytelling from “one of the most brilliant minds and speakers of our generation” (*The Independent*).

From reader reviews:

Lavinia Arthur:

What do you think of book? It is just for students because they're still students or that for all people in the world, exactly what the best subject for that? Simply you can be answered for that issue above. Every person has several personality and hobby for each and every other. Don't to be forced someone or something that they don't would like do that. You must know how great along with important the book Ragnarok. All type of book would you see on many sources. You can look for the internet methods or other social media.

Angelina Rone:

Many people spending their period by playing outside having friends, fun activity together with family or just watching TV the whole day. You can have new activity to pay your whole day by looking at a book. Ugh, think reading a book can actually hard because you have to accept the book everywhere? It okay you can have the e-book, taking everywhere you want in your Smartphone. Like Ragnarok which is keeping the e-book version. So , why not try out this book? Let's see.

Samantha Flowers:

Is it a person who having spare time and then spend it whole day by means of watching television programs or just lying down on the bed? Do you need something totally new? This Ragnarok can be the reply, oh how comes? It's a book you know. You are so out of date, spending your extra time by reading in this new era is common not a nerd activity. So what these textbooks have than the others?

Charles Trask:

Many people said that they feel uninterested when they reading a book. They are directly felt the idea when they get a half regions of the book. You can choose typically the book Ragnarok to make your current reading is interesting. Your skill of reading talent is developing when you including reading. Try to choose straightforward book to make you enjoy to learn it and mingle the opinion about book and studying especially. It is to be very first opinion for you to like to available a book and examine it. Beside that the e-book Ragnarok can to be your new friend when you're feel alone and confuse with the information must you're doing of their time.
