## **Sociology** James Fulcher, John Scott

The fourth edition of Fulcher and Scott provides an authoritative and theoretically grounded approach to sociology, covering both classic and contemporary research. It provides the context for debate and discussion that enables students to develop their critical awareness skills. Contemporary issues such as child abuse are backed with recent research, whilst the student-centred approach adopted in this edition looks at popular culture and recent developments such as social networking and online identities.

A system of consistent cross-referencing and signposting signals where topics are explored to allow easy navigation of the text. Clear links between the main text and learning features emphasize the relevance of these features. A wealth of features support students and teachers.

## Online Resources

### For students

Case studies: each chapter has a case study that draws on recent sociological research and news from the popular media with questions

MCQs: bank of self-marking multiple-choice questions for each chapter

Web links: series of annotated web links organised by chapter

### From reader reviews:

#### Steven Cruce:

A lot of people always spent their particular free time to vacation or even go to the outside with them family or their friend. Do you realize? Many a lot of people spent they free time just watching TV, or even playing video games all day long. In order to try to find a new activity that's look different you can read a new book. It is really fun for you. If you enjoy the book which you read you can spent all day every day to reading a guide. The book Sociology it is quite good to read. There are a lot of people who recommended this book. These people were enjoying reading this book. When you did not have enough space to deliver this book you can buy the particular e-book. You can m0ore quickly to read this book through your smart phone. The price is not very costly but this book offers high quality.

#### Steven Resnick:

Your reading sixth sense will not betray you, why because this Sociology book written by well-known writer who really knows well how to make book which might be understand by anyone who also read the book. Written within good manner for you, still dripping wet every ideas and producing skill only for eliminate your hunger then you still question Sociology as good book not only by the cover but also through the content. This is one book that can break don't ascertain book by its cover, so do you still needing one more sixth sense to pick this specific!? Oh come on your examining sixth sense already told you so why you have to listening to a different sixth sense.

#### James Roberts:

This Sociology is great reserve for you because the content which is full of information for you who else always deal with world and get to make decision every minute. This book reveal it facts accurately using great organize word or we can claim no rambling sentences within it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tough core information with beautiful delivering sentences. Having Sociology in your hand like getting the world in your arm, facts in it is not ridiculous one. We can say that no e-book that offer you world within ten or fifteen minute right but this publication already do that. So , this is good reading book. Heya Mr. and Mrs. stressful do you still doubt in which?

#### Frederick Roark:

Do you like reading a publication? Confuse to looking for your selected book? Or your book ended up being rare? Why so many issue for the book? But almost any people feel that they enjoy intended for reading. Some people likes studying, not only science book and also novel and Sociology as well as others sources were given understanding for you. After you know how the fantastic a book, you feel need to read more and more. Science publication was created for teacher or maybe students especially. Those ebooks are helping them to include their knowledge. In different case, beside science publication, any other book likes Sociology to make your spare time a lot more colorful. Many types of book like here.
