Sled-dog racing means everything to Scott McClure. It also helps keep his father's memory alive. Scott plans to form a new team of three sled dogs so that he can continue racing and become a champion like his dad. But life changes quickly when his mother remarries and they move from California to Montana. From the start, Scott has problems with his stepfather and his stepbrother, Brad. Scott won't let anything interfere with his dreams as he trains and races Kaylah, his Malamute, and the other dogs on the team. But Scott doesn't know the obstacles he must face.
