Honku: The Zen Antidote to Road Rage Aaron Naparstek

How many times this week has your morning commute, or just plain driving to the grocery store, turned into a road-rage-inducing nightmare? A soccer mom steals your parking spot. A cell-phone guy cuts you off on the freeway. A student driver nearly rear-ends you at the mall. Take heart. *Honku: The Zen Antidote to Road Rage* is all you need to lower your blood pressure and make you forget that jerk in the yellow SUV.

A collection of more than one hundred very funny haiku (or honku), this book shines its brights on the dark side of America's car culture. Distilling the daily horrors of driving, parking, and ordering from the drive-through into a time-honored and respected verse form, *Honku* transforms annoying moments behind the wheel into the stuff of poetry and will leave you in a state of enlightenment and bliss. Well, at the very least it'll make you laugh.

A diverting read that may inspire you to pen your own haiku, *Honku* is the perfect fit for the glove compartment, to be pored over while you're stalled in traffic on the interstate.

Christina McMullen:

A lot of people always spent their own free time to vacation or perhaps go to the outside with them loved ones or their friend. Are you aware? Many a lot of people spent these people free time just watching TV, or even playing video games all day long. If you need to try to find a new activity here is look different you can read some sort of book. It is really fun to suit your needs. If you enjoy the book that you simply read you can spent the entire day to reading a reserve. The book Honku: The Zen Antidote to Road Rage it is very good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. Should you did not have enough space to develop this book you can buy the e-book. You can m0ore very easily to read this book through your smart phone. The price is not very costly but this book features high quality.

James Pickett:

Precisely why? Because this Honku: The Zen Antidote to Road Rage is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will distress you with the secret it inside. Reading this book next to it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of gains than the other book possess such as help improving your talent and your critical thinking way. So , still want to hold off having that book? If I have been you I will go to the book store hurriedly.
