Nurture in Time and Eternity Robert Cummings Neville

The dimension of eternity has been lost from much contemporary religious consciousness. Liberals tend to focus on action within time, as do conservatives, who see history as a battleground for a war of good against evil. Spiritual life, however, also requires nurturing a sense of eternity within time. These sermons from Marsh Chapel at Boston University follow the lectionary in highlighting the places of temporal life within eternity, and the places eternity is found in temporal life. The liturgical year is employed as the venue for articulating a comprehensive theology on the themes of the temporal and eternal aspects of Christian nurture.
