Essential Neurology

Iain Wilkinson, Graham Lennox

Essential Neurology Iain Wilkinson, Graham Lennox

A brand new edition of *Essential Neurology* brings the text fully up-to-date. This book is a core text for medical students and junior doctors, who want a comprehensive yet concise practical guide to clinical neurology.

To make the book more readable and digestible, we have introduced colour into the text. This text provides clear explanations of the most common neurological and neurosurgical disorders. The most up-to-date clinical methods are covered to ensure students are learning the newest techniques. To enhance the readers' understanding of this subject more illustrations, line drawings and scans are incorporated into the text.

Another new addition is the inclusion of clinical cases with self-assessment questions at the end of every chapter. These help to clearly illustrate the clinical presentations of key neurological disorders.

Essential Neurology is ideal for medical students on neurology attachments and an excellent review text for the MRCP examination.

Reviews of previous edition

"This is an excellent introductory text for medical students who want their neurology without frills."
—*British Medical Journal*

"A well-presented manual of practical clinical neurology recommended as easy and enjoyable fundamental reading."
—*Brain*

"This is an excellent book with a very good all round approach to an understanding of neurology at student level"
—*Journal of Neurology, Neurosurgery and Psychiatry*

From reader reviews:

Cora Gallien:

This book entitled Essential Neurology to be one of several books this best seller in this year, that's because when you read this reserve you can get a lot of benefit on it. You will easily to buy this book in the book store or you can order it by way of online. The publisher of the book sells the e-book too. It makes you easier to read this book, since you can read this book in your Cell phone. So there is no reason for you to past this e-book from your list.

Arlene Wilson:

That publication can make you to feel relax. This particular book Essential Neurology was vibrant and of course has pictures around. As we know that book Essential Neurology has many kinds or genre. Start from kids until teens. For example Naruto or Investigator Conan you can read and feel that you are the character on there. Therefore not at all of book tend to be make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for you personally and try to like reading that.

Joseph Mack:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Essential Neurology can make you feel more interested to read.

Henry Rodriguez:

Reserve is one of source of understanding. We can add our know-how from it. Not only for students and also native or citizen want book to know the up-date information of year for you to year. As we know those ebooks have many advantages. Beside we all add our knowledge, could also bring us to around the world. From the book Essential Neurology we can take more advantage. Don't someone to be creative people? For being creative person must want to read a book. Merely choose the best book that suitable with your aim.
