Henry the fifth

William Shakespeare

Henry the fifth William Shakespeare

O for a Muse of fire, that would ascend
The brightest heaven of invention, A kingdom for a stage, princes to
act And monarchs to behold the swelling scene! Then should the warlike Harry, like himself, Assume the
port of Mars; and at his heels, Leash'd in like hounds, should famine, sword and fire Crouch for employment.
But pardon, and gentles all, The flat unraised spirits that have dared On this unworthy scaffold to bring forth
So great an object: can this cockpit hold The vasty fields of France? or may we cram Within this wooden O
the very casques That did affright the air at Agincourt? O, pardon! since a crooked figure may Attest in little
place a million; And let us, ciphers to this great accompt, On your imaginary forces work. Suppose within
the girdle of these walls Are now confined two mighty monarchies, Whose high upreared and abutting fronts
The perilous narrow ocean parts asunder: Piece out our imperfections with your thoughts; Into a thousand
parts divide on man, And make imaginary puissance; Think when we talk of horses, that you see them
Printing their proud hoofs i' the receiving earth; For 'tis your thoughts that now must deck our kings, Carry
them here and there; jumping o'er times, Turning the accomplishment of many years Into an hour-glass: for
the which supply, Admit me Chorus to this history; Who prologue-like your humble patience pray, Gently to
hear, kindly to judge, our play.
