In her own life, Shriver always walked straight down her own distinctive path, achieving her childhood goal of becoming "award-winning network newswoman Maria Shriver". But when her husband was elected California's Governor and she suddenly had to leave her job at NBC News, Maria was thrown for a loop. Right about then, her nephew asked her to speak at his high school graduation. She resisted, wondering how she could possibly give advice to kids, when she was feeling so lost herself. But in the end she relented and decided to dig down and dig deep, and the result is this little jewel.
