With more than 8 hours of engaging footage, the updated *Lippincott Video Series for Nursing Assistants* shows complete step-by-step demonstrations of the core skills performed daily by nursing assistants. The Second Edition includes brand new footage to reflect best practices and equipment currently found in the health care setting. In addition to teaching technical skills, this dynamic video series promotes qualities such as compassion and empathy, and demonstrates non-technical skills such as respecting the individual, caring for people with dementia, death and dying, and entry into the workforce. Ideal as a stand-alone learning tool or as a companion to the Carter suite of textbooks, these videos parallel the skills in the textbooks and are organized into fifteen modules for easy reference. The new edition also provides the ability to view closed captioning in English or Spanish.
