Milan Kunc: Sculpture Yves Aupetitallot

Czech artist Milan Kunc (born 1944) has made paintings based on Soviet iconography since the late 1960s, and ceramics since the early 1970s. This wonderful volume documents a new body of highly erotic ceramic work begun in the 1990s. Clearly reveling in his materials, Kunc makes not only overtly sexual phallic sculptures of bananas and toadstools, but also objects that are saturated in the eroticism of color and plasticity.
