Oxford Atlas for Pakistan, New Edition Fazle Karim Khan

The Oxford Atlas for Pakistan has been revised and updated with the latest digital maps that are accurate and easy to read.

It offers a complete selection of thematic maps and essential data on the world and Pakistan. Every important aspect of Pakistan's geography is covered in detail and includes clearly presented maps, including especially designed maps and graphs for crops, irrigation, energy, key industries, education and literacy, population, main cities, rural settlements, transport, natural hazards, and environmental damage. Supplemented by an extensive section on the world and an easy-to-use gazetteer, this atlas will be an indispensable source of reference for the general reader, researchers, universities and colleges, libraries as well as commercial organizations.

This atlas is produced by the Cartographic Unit of Oxford University Press, UK, and researched by Dr Fazle Karim Khan, a former Professor of Geography.
