The Marzipan Pig Russell Hoban

Who but Russell Hoban could weave a tale of life's pleasures and pain around a candy pig? And who but Quentin Blake could make the most poignant of stories so lighthearted and delightful? In this episodic picture book by an inimitable author-illustrator duo, a fantastic chain of events is triggered by the unacknowledged fall of a marzipan pig behind the sofa. We meet in quick succession a heartsick mouse, a lonely grandfather clock, an owl in love with a taxi meter, a worker bee, a fading hibiscus flower, a mouse who greets the dawn dancing, and finally a boy who guesses at the true relations between things. Appealing to the unsentimental yet sensitive nature of children, *The Marzipan Pig* is exquisitely attuned to the bittersweet wonder of life and to the sentience of all beings.
